Wedding Hosts

Wedding hosts are required. The number of hosts will correlate to the size of your wedding party. Wedding hosts are members of the congregation whose purpose is to assist with the needs of the wedding party and families, and to ensure that the ceremony moves in a smooth and timely manner. A wedding host will contact the bride 1 to 2 weeks prior to the wedding to discuss details.

Rehearsal

The rehearsal occurs the day before the wedding. The officiating minister will be in charge of the rehearsal. All members of the wedding party and the musicians are expected to attend the rehearsal. Wedding hosts will also be present at your rehearsal to fine tune all details.

Music

The music you choose is an important part of your ceremony. The musician you hire from 15th Ave Christian Church will gladly assist in choosing the appropriate music. Our Organist/Pianist will have first right of refusal.

Decorations

All decorations should be removed from the church facilities following the ceremony. Any items left on the premises will be disposed of by our custodial staff. Decorations must not damage the church property in any way. No flowers or plants should be placed on any wood finished surfaces.

Furniture and Fixtures

We will be unable to accommodate the rearrangement or removal of furniture, fixtures, promotional materials, or signs. Please respect the primary purpose of the facility.

Decorum

15th Ave Christian Church is a place of worship. Actions and activities should always be conducted with proper respect for the church and should be uplifting to the Lord. This includes weddings. As such, the use of alcoholic beverages and tobacco products is not allowed in the church building or on church property.
